IDEAS

There are endless creative ideas for how you can support Prisma Health—Midlands through the Foundation. Here are some tried and true partner events that may spark an idea for your event—

It is strongly recommended that community partners refrain from dividing proceeds between Prisma Health Midlands Foundation and another charitable organization.

TIMING

Your partner event idea and proposed day/time should be sent to Prisma Health Midlands Foundation for approval 90 days prior to your proposed event date.

Once you submit the completed application, your proposal will be reviewed, and someone from Prisma Health Midlands Foundation will be in touch with you within 10 business days. Partner events must meet the approval of a Prisma Health Midlands Foundation board.

Because Prisma Health Midlands Foundation manages many signature fundraising events, you may be asked to move your proposed partner event date to another time in order to avoid a conflict of interest.

Prisma Health Midlands Foundation reserves the right to not accept your community partner event proposal.

KEYS TO SUCCESS

The following information is provided so there are no misunderstandings or disappointments regarding Prisma Health Midlands Foundation's support of your event. Your partner event should align with the following guidelines.

- It is South Carolina state law, section 35-56-120, that community events benefiting a charity have express permission from the charity in order to be legal. Fines may be imposed on groups/individuals who conduct such activities without permission.
- Under the S.C. Secretary of State and South Carolina Legislature's Code of Laws (Title 33, Chapter 57, Section 33-57-140), raffles may not be conducted by third party partners.
- A partner event should complement the mission and brand of Prisma Health Midlands Foundation and Prisma Health—Midlands. Your partnering with specific companies or individuals may pose a conflict of interest; therefore, the Foundation must approve all potential sponsors in advance of your making contact for sponsorship requests. The Foundation must also approve your intentions to partner with celebrities, media personalities or athletes before you make contact.
- The partner event organizer must obtain any necessary permits, licenses or insurance. If you wish to serve alcohol at your event, you are responsible for hiring a licensed service and securing a permit.
- Prisma Health Midlands Foundation asks for projected, acceptable proceeds in order to uphold our mission and reputation. The Foundation reserves the right to require a minimum guaranteed donation. The Council of Better Business Bureau states, "Reasonable use of funds require that at least 60% of the total income from all sources be spent on programs and activities directly related to the organization's purpose." The Foundation will not approve an event in which costs are expected to exceed 40% of the total revenue generated.
- All printed/digital promotional materials and website/social media content should be approved by Prisma Health Midlands Foundation prior to use/distribution/posting. This includes photographs of any kind or nature. All promotional material should clearly state the Prisma Health—Midlands area proceeds will benefit (by name or approved use of logo). If you are planning to create a Facebook event, submit content for pre-approval before creating the Facebook event. Prisma Health Midlands Foundation will not create or co-host Facebook events for your partner event. The Foundation will cross-promote social media postings created by the partner organization by sharing them with Foundation followers.
- Members of Prisma Health and Prisma Health Midlands Foundation boards or teams will not solicit for ticket sales, event sponsorships or in-kind donations for a community partner.
- Prisma Health Midlands Foundation will not share donor information with community partners.
- Typically, a Prisma Health Midlands Foundation or event committee representative will attend partner events; however, there may be times when no one is available due to scheduling conflicts.
- Net proceeds must be submitted to Prisma Health Midlands Foundation within 30 days after the event date.
- Events must comply with all federal, state and local laws governing charitable fundraising, gift reporting and special events. The IRS requires that all tickets, invitations or entry forms state which portion of the contribution is tax-deductible.
- All event expenses are the responsibility of the community event organizer. If event expenses are greater than the total collected, the individual or group holding the event is responsible for the additional expenses.
