The impact of community support through Walk for Life and Famously Hot Pink Half Marathon

Walk for Life and Famously Hot Pink Half Marathon + 5K are signature fundraising events led by Prisma Health Midlands Foundation. Proceeds of more than \$11.2 million have funded the latest equipment, programs, services and educational materials for patients and families at Prisma Health Breast Center. Nearly \$360,000 from the 2020 virtual event funded the following items and supported expanding programs and services of the Breast Center.
