

Generosity

Prisma Health Children's Hospital—Midlands and the Pediatric Transport team have a new, specialized ambulance to help critically premature babies and severely ill children. More than \$430,000 was donated through the Foundation's *New Wheels for Precious Cargo* campaign.

More than \$50,000 in donations supported Prisma Health's COVID-19 response by helping the team get shots in the arms of thousands at local vaccination sites and through the mobile vaccination program.

Compassion

More than \$107,000, including in-kind donations, was raised through The Drive golf tournament. Proceeds supported the start of the Foundation's \$1 million capital campaign to fund a da Vinci® Xi Robotic Surgical System for Prisma Health—Midlands.

USC Dance Marathon raised more than \$619,000 for Prisma Health Children's Hospital—Midlands through Children's Miracle Network Hospitals. This includes nine schools that held mini dance marathons, totaling more than \$45,000 in proceeds.

Care

Thanks to 2,450 registered walkers and runners in 31 states and three countries, nearly \$330,000 was raised during the virtual 30th Walk for Life and Famously Hot Pink Half Marathon. Proceeds helped expand Prisma Health Breast Center services in the Midlands.

Midlands

Children's Miracle Network Hospitals programs and partners in the Midlands, including USC Dance Marathon, supported Prisma Health Children's Hospital—Midlands with \$1,315,616 in proceeds.

Kind Acts

More than \$182,000 was donated through annual giving societies. The Atrium Society and The Cavalry funded high-priority needs of Prisma Health Cancer Institute—Columbia, and Champions Society/Rising Champions funded the expansion of pediatric subspecialty programs at Prisma Health Children's Hospital—Midlands.

Donations of more than \$25,000 supported Children's Hospital—Midlands, the Bernice Smith Fund and the area of greatest need, through the Foundation's GivingTuesday campaign.

Support

More than \$57,000 in donor gifts supported the Prisma Health Neuroscience team, as they worked to care for patients with brain, spine and nervous system needs.

A \$25,000 gift from the Richland Memorial Hospital Board of Trustees enhanced the courtyard used by patients, families and team members on the Prisma Health Richland Hospital campus.

Looking Ahead

Prisma Health is expanding robotic surgery in the Midlands. Prisma Health Midlands Foundation's board of directors and the Midlands Foundation have launched a \$1 million capital campaign to help fund a da Vinci® Xi Robotic Surgical System for Prisma Health—Midlands.
