

Prisma Health Employee Giving Campaign

Sponsored by:

Why give?

Funds raised through Team Member Giving go right back into our local hospitals and our team members. This campaign is an opportunity for Prisma Health employees to donate to the department/program of their choice through payroll deduction.

Employee Giving in the Midlands

For more than 20 years, team members in the Midlands at Richland Hospital, Baptist Hospital and Baptist Parkridge Hospital have donated millions of dollars through Prisma Health Midlands Foundation's Employee Giving campaign (formerly Miracle Team).

When will the Team Member campaign be held?

The campaign launches on August 3; however, team members can give throughout the year.

How to make a gift in the Midlands

Team members at Richland Hospital, Baptist Hospital and Baptist Parkridge Hospital may make a pledge by visiting <https://prismahealthmidlandsfoundation.org/employee-giving/>.

How do I get a T-shirt?

Thanks to Curis, team members who give \$125 (\$5 per pay period) or more will receive a t-shirt. Information on shirt pick up/distribution will be announced soon.

How will payroll deduction work for gifts?

Although Team Member Giving pledges will be made in August, payroll deduction will not be effective until the first pay period in October 2026.

How do I change or cancel my gift?

To change or cancel your gift at any time, please email Mary.Luebbert@PrismaHealth.org.
